

CHICHESTER SCHOOL DISTRICT

Dear Chichester School District Families:

We are thrilled to announce that we now offer MealpayPlus (www.mealpayplus.com), a state-of-the-art online service that offers you the convenience and information you need to manage your student's meal account. This system will offer an alternative to sending checks or cash to school with your child, and speeds up the serving lines in the cafeteria.

At **no cost**, MealpayPlus allows any family to:

- Create a free, secured account to **manage all of your student's accounts**
- **Check your student's current account balance**
- **Monitor** the items your student has been purchasing in the cafeteria
- Create settings to **receive email notifications** when the account reaches a low balance

For a small fee (4.75% of payment made to the student's account on-line), MealpayPlus allows any family to:

- **Make a prepayment** into your student's meal account using a check, credit card, or debit card at **www.mealpayplus.com** or by calling **800-265-4582**. Funds deposited through MealpayPlus are usually available for student use within a matter of minutes.
- Create settings to **automatically replenish** your student's account when it reaches a low balance

We strongly encourage all parents (even if you do not prepay for your student's meal account) to create an account at no cost through www.mealpayplus.com. To create a new account, follow the onscreen directions and register your student using their Student ID number. If you do not know your student ID number, you can obtain this information by contacting the food service office at: 610.485.6881 x 5266.

For those who do wish to prepay into their student's meal account, MealpayPlus offers several convenient ways to do so by visiting **www.mealpayplus.com** or calling **800-265-4582** from anywhere, at anytime. **Please keep in mind that MealpayPlus is PCI certified and follows the highest level of security for all online transactions.**

Thank you for your continued support, and I am proud that we will continue to offer you convenience and information through MealpayPlus. We consistently strive to find new and better ways to serve our students and our families, and I thank you for partnering with us in this effort.
